Service Provider agrees that s/he has read, understands and shall comply with any applicable security regulations provided by CI, and acknowledges that s/he shall be solely responsible for Service Provider’s own safety and physical property or equipment during the performance of this Agreement. In addition, by signing the attached Release and Waiver, attached as Appendix 3, the Service Provider agrees to release CI and to waive any claim against CI as more fully outlined in Appendix 3.
13. Travel. Service Provider shall be solely responsible for any travel arrangements, travel insurance, and all arrangements for visas, passports or immunizations.
14. Choice of Law; Arbitration. This Agreement shall be construed and enforced in accordance with the laws of the District of Columbia, USA, applicable to contracts fully executed and performed therein and without giving effect to its conflict of laws principles. Any controversy or claim arising out of or relating to this Agreement, or the breach thereof, shall be settled by arbitration before a single arbitrator in Washington, DC, under the rules of the American Arbitration Association in effect at the time of commencement of the arbitration, and the parties agree that judgment upon

the award rendered by the arbitrator shall be final, binding and may be entered in any court having jurisdiction thereof.

15. Compliance with Law; CI Code of Ethics. Service Provider will perform the Services in compliance with (i) the U.S. Foreign Corrupt Practices Act and Office of Foreign Asset Control regulations, as well as (ii) all laws and regulations of the country in which the Services are performed (including, but not limited to, such relating to bribery, corruption, terrorism financing and equal employment opportunity, as well as all the generally accepted standards applicable to such work), as if such aforementioned laws and regulations directly reached the activities of the Service Provider. Further, Service Provider agrees to perform all Services and to conduct all activities related thereto in accordance with CI's Code of Ethics, a copy of which is attached hereto as Appendix 2 and incorporated by reference.
16. Service Provider's Anti-Terrorism Representation and Warranty. Service Provider is hereby notified that U.S. Executive Orders and U.S. law prohibit transactions with, and the provision of resources and support to, individuals and organizations associated with terrorism. Service Provider, therefore, represents and warrants that Service Provider has not provided, and will take all reasonable steps to ensure that Service Provider does not and will not knowingly provide, material support or resources to any individual or entity that commits, attempts to commit, advocates, facilitates, or participates in terrorist acts, or has committed, attempted to commit, facilitate, or participated in terrorist acts, and is compliant with all other applicable provisions of such U.S. Executive Orders and U.S. law.
16. Counterparts and Facsimile Signatures.
 - a. Each party agrees that the other party may rely on a facsimile copy of the signature of a duly authorized signatory and that upon the exchange of such facsimile signatures, electronically or otherwise, this Agreement shall be binding between the parties whether or not hard copies of this Agreement are ever exchanged between them.
 - b. This Agreement may be signed in one or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument even though all the parties are not signatories to the original or the same counterpart.
17. Severability. In the event that any one or more of the provisions contained herein shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provisions of this Agreement, but this Agreement shall be construed as if such invalid, illegal or unenforceable provisions had never been contained herein, unless the deletion of such provision or provisions would result in such a material change so as to cause completion of the transactions contemplated herein to be unreasonable.
18. No Third-Party Beneficiaries. Except as expressly set forth herein, neither party intends that this Agreement shall benefit or create any right or cause of action in or on behalf of any person or entity other than the Service Provider and CI.
19. Non-Assignment. This Agreement shall not be transferred or assigned by Service Provider without prior written consent of CI.
20. Waiver. Either party may specifically waive any rights under this Agreement by the other party, but no such waiver shall be deemed effective unless in writing, signed by the waiving party, and specifically designating the rights waived. No waiver shall constitute a continuing waiver of similar or other rights.
21. Entire Agreement; Amendments. This Agreement supersedes all prior oral or written agreements between the parties and constitutes the entire Agreement between the parties. Unless indicated otherwise herein, this Agreement may not be amended, supplemented, or modified in any respect except by written agreement signed by both parties.
